

Results Speak Volumes

Here's the deal, quick and to the point!

Results speak volumes, where words are mostly hot air.

We can offer your breeding program and kennel the exact elements that have made Chambray Labradors the following:

- Top champion Labrador breeder in the country with 46 new AKC champions since 2012 to 2020
- #1 Labrador breeder in the AKC's Top 100 Grand Champion w/6 Silver Grand Champions in the Top 100
- USA #1 Labrador Breeder for 2012, 2014, 2015 and 2016 with six new champions each of those years!

The three components that lead to those achievements:

Trifecta to Success!

- 1. The Breeding Program**
- 2. The Training & Conditioning Program**
- 3. The Dog Show Handling & Management Program.**

It all starts with the Breeding Program, which is what we are offering you and your kennel. Breed to the dogs that have produced the results and, you are on your way to the Trifecta to Success. Of course, we can also offer you the 2nd and 3rd elements, but it all starts with the Breeding Program and the Stud Dogs! We offer the stud dogs, and we can also do a pedigree analysis of your bitch, plus a conformation

evaluation of them as well by providing us photos. I guarantee you that no other top-level Labrador breeder offers any of the above, especially the results that we have backing up the service and products being made available to you. If interested in getting ahead, touch base with me, hey it's free, so you have nothing to lose and lots of success to gain.
